

Hillsboro (HIO) Control Tower Pilot/Controller Forum

This is one of a series of Pilot/Controller Forums organized by the Manager and personnel of Hillsboro Air Traffic Control Tower (ATCT). Some of the topics to be covered are noise abatement, NORDO, Runway Incursions and seasonal weather. This is a great opportunity for all pilots to meet and speak with the controllers from HIO ATCT without having to use a radio.

Directions: This meeting will take place in the Terminal Building Conference Room located on the second floor, north side, middle of the building.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
